

Homewreckers Casting Call

Are you turning a blind eye to home repair problems like a damp, mouldy basement or a rotting deck? Have you been spending money and time on anything but those worrisome home problems? Are you ready to finally face that repair nightmare but need the help of a professional?

The new W Network home repair series "Homewreckers" is looking for families in the Greater Vancouver Area that have been neglecting their much needed home repairs but are now ready to face them head-on, and get a bit dirty while at it!

You must own your home - no renters please - and be of legal age. You should be outgoing, energetic and open to telling your story on-camera. You are required to make a financial contribution to your project. If you have the budget but are not sure of your next step, apply to "Homewreckers".

If chosen for the show you will receive the advice and help of our expert contractor, certified construction help, and a contribution towards the cost of the repair of one of your home repair problems.

Produced by Fusion Television in association with W Network.

To apply, please briefly tell us a bit about you and your family, describe the problem repair areas in your home, why you feel you've been neglecting them, why you're ready to face them, and why you need Homewreckers help. Please include a few photos of these areas and one of you and/or your family.

Simply email everything to hillaryh@fusiontelevision.on.ca and lindar@fusiontelevision.on.ca . Please also include your address and contact numbers.

We appreciate all applications; however we are only able to contact you if your home is being considered for an episode. Unfortunately, we will not be able to verify that we have received your application. Producers are not responsible for lost applications.
